Dear Dan:

Through a misunderstanding, a letter was directed to Hill Air Force Base by us requesting extension of loan of one Operation Trailer, S/N K-51133, their Invoice No. 7-1077187.

The request to extend the loan was denied, and prompt return of the trailer was requested.

It would be appreciated if, through efforts of your department, the situation could be cleared up and the trailer could remain at its present location.

Incidentally, steps have been taken to eliminate any future recurrence of this nature.

A copy of the letter from Ogden Air Materiel Area is enclosed, as well as a copy of the letter requesting extension of the loan.

Very truly yours,
